

# WWMV-LP 2018 Radio Internships

## Digital Media (Graphic Design | Photography) Internship

### Description

The Digital Media Internship is an opportunity for college students interested in graphic design and/or photography to help design and produce graphics, photos, for print and multi-media for WWMV-LP, 95.5FM, Madison's newest community radio station. Interns will develop creative messaging, branding, graphic and visual elements to represent the radio station and celebrate the diversity of the Madison community.

### Responsibilities

- Think creatively and develop new design concepts, graphics, and layouts
- Prepare rough drafts and present your ideas
- Design and produce visual graphics for multi-media including, websites, flyers, social media, and promotional material
- Meet with Radio Station Manager regularly

### Commitment

- 10 hours a week for the semester
  - Mainly on site, some work from home and some in the community
- Year-long preferred, semester-long welcomed

### Desired Knowledge & Abilities

- Motivated self-starter with the ability to work independently
- Graphic design and/or photography experience
- Knowledge of Adobe photoshop, Adobe lightroom, and other digital media programs
- Think creatively and develop new design concepts, graphics, and layouts
- Strong communication interpersonal skills
- Patience and flexibility

### School Credit

- **UW- Madison:** Earn up to 3 Independent Study or Directed Study credits through the Journalism and Communications Departments
- **Edgewood:** Earn 3 or 4 Independent Study credits hours through the Communications Department.
